Hi Jennifer,

Wanted to run this one past you. I would say that the pot tax money distribution is directed by statute and the constitution, right?

This is all explained on this webpage:

Jeremy
Hope you're well.

As expected, so many people still ask, "What about all that pot money?" when the issue of the Denver Teachers strike comes up.
So, we're gonna write a shorty that takes that one head-on.

So....
From your world....why can't Denver use any of the marijuana tax money distributed through the funds allotted to Dept of Ed? (the discretionary stuff, that is)
